False Rumor Circulating on Social Media

LPSS is aware of a rumor circulating on social media stating that a student was raped on the Comeaux High School campus. This rumor is false.

While we can confirm that an incident took place on campus yesterday between students, we are still investigating the details surrounding the incident. Because this is an active investigation involving students, no further information will be provided.

We want to assure our community that reports of sexual assault on our campuses are thoroughly investigated and reported to law enforcement as required by law. Individuals are held accountable for their actions in accordance with state law and board policy.
